

# The St. John's Post

-February 2025 Edition-

## The 2nd Month of the Year: February

It's true—February is often a time when people start to reflect on their New Year's resolutions and maybe even feel a bit of a dip in motivation. But the longer days with sunsets later in the evening definitely bring a sense of hope and renewal, which is perfect for recharging and getting back on track!

In South Carolina, the warmer temperatures and fewer rainy days can offer a nice contrast to the chill of January, making outdoor activities more inviting. It's quite rare to have a fifth Sunday in February. The last one was in 2004. The next time we have a fifth Sunday in February it will be 2032. It's interesting to think about how much time there is to plan something special for that day in 2032! It gives plenty of time to come up with creative ideas for marking the occasion.

Groundhog Day is such a fun tradition to kick off the month of February! The idea of the groundhog predicting the weather is a quirky and charming part of our cultural folklore. My hope is for an overcast day, so the groundhog doesn't see its shadow. This is something many of us can get behind—especially if we're ready for spring to arrive sooner rather than later! It's always amusing how seriously people take the predictions, even though we know it's more of a fun tradition than a reliable forecast.

February 9th is Super Sunday at St. John's. It will be a special day filled with celebration, community, and service! It's wonderful how so many aspects of the day come together to honor different parts of the church's mission and its connections to the wider community. We will celebrate the success of Pack 130 and Troop 130 during Scout Sunday at our 8:30am worship service. At our 11:00am worship service, we will have our first WEE School Celebration Sunday as we celebrate nineteen years of education ministry with young families in our community. We will invite all alumni and former and present staff members who have poured much love and dedication into our program.

The Valentine Tea Party is also this day and another delightful way to bring people together. It sounds like a perfect opportunity to enjoy fellowship and share in the love of the season. Please sign up for this event in one of our usual places!

Our day will also include the Souper Bowl offering! It's a fantastic way to tie in the spirit of the Super Bowl with the heart of giving, supporting those in need through the Fort Mill Care Center. Our youth will collect the offering as we exit church that day. The collection aligns so beautifully with the church's values and provides a meaningful way for the congregation to serve their neighbors.

Valentine's Day is such a meaningful opportunity to show love and appreciation, whether through traditional gifts like cards, flowers, or candy, or by reaching out to those who may need a little extra kindness during a difficult time. The idea of sending a card or visiting someone who's been struggling is a beautiful way to make the holiday more meaningful, especially for those who may feel overlooked or isolated. Will you consider purchasing an extra box of candy or package of Valentine cards to drop off at the Fort Mill Care Center to share with a struggling family? It's a great way to show how much small gestures of care can make a difference, and it also brings back memories of how meaningful those small acts were when we were younger.

February may be the shortest month, but it offers plenty of opportunities to serve others and reflect on our personal commitments. Whether it's through events like the Souper Bowl offering, helping out at the Fort Mill Care Center, or offering kindness to someone who could use a little extra love this month, there's so much we can do to make a positive impact in our communities.

With Lent just around the corner, February is also a time to start thinking about spiritual preparation. Ash Wednesday, on March 5th, marks the beginning of Lent, a season of reflection, repentance, and spiritual growth. It's a perfect time to prepare ourselves, whether that means setting intentions for the season, focusing on service, or participating in church traditions.

I look forward to seeing you at St. John's, where we try to share the love of Christ every day, not just in February.

Shalom,

Karen

# BIBLE QUIZ

**In our Mixed Adult Bible Class we are walking along with Paul on his Missionary Journeys finding acceptance in some cities and being run out of others. We have learned about many persons that Paul encountered during his life while at first being a persecutor of Christians, having a life changing experience, and then being among the persecuted for preaching Jesus Christ. My questions below concern what you may remember about Paul and these persons through chapter eighteen of Acts.**

- 1. \_\_\_\_\_ was stoned to death while Paul stood by. Acts: 7:54-60**
- 2. \_\_\_\_\_ and Paul were sent on the first missionary journey. Acts 13:1-4**
- 3. \_\_\_\_\_ chosen to join Paul on Paul's second journey. Acts 15:36-41**
- 4. \_\_\_\_\_ part Jew and part Gentile chosen to follow Paul. Acts 16:1-3**
- 5. \_\_\_\_\_ a seller of purple was converted at a riverside. Acts 16:12-15, 40**
- 6. \_\_\_\_\_ and \_\_\_\_\_ were tentmakers as was Paul. Acts 18:1-11**

**so he worked with them while witnessing in Corinth 18 months. It was at Corinth that he announced he was turning his witness to Gentiles.**

**Possible answers:**

**Aquila, Barnabas, Lydia, Priscilla, Silas, Stephen, and Timothy.**

# MISSIONS COMMITTEE NEWS!

submitted by Amy Bartholomew, Committee Chair

In December, Missions delivered 235 Christmas cards to three different nursing homes. We also delivered a bag of clothes to the Bethel Day Shelter. A group of members organized the clothing and hygiene closets on Dec. 27th. We delivered 64 pounds of deer meat to the Fort Mill Care Center and delivered two large bags of clothes and shoes to Tender Hearts.

## CURRENT NEEDS:

Bethel Day Shelter is currently in need of men's underwear (all sizes). They also need trial size shampoo, hand sanitizer, and kleenex. Trial size is best so the items are more portable. They can also use the plastic utensil sets that restaurants give with take out orders. These are in plastic bags and usually contain a napkin as well as the utensils.

We are collecting spaghetti sauce, pasta, toilet paper, cereals, and oatmeal for the Fort Mill Care Center. Plastic grocery bags are also needed. These items, along with donations for Bethel Day Shelter, can be placed in the collection center beside the fellowship hall entrance.

Please join us for our next meeting on March 2 in the Men's Bible Classroom after the 11:00 service. Everyone is welcome to attend, not just committee members. We would love to have some of our youth come to the meeting to share their ideas!

# Education Team

Nancy Rivers, Committee Chair

Have you ever thought about the fact that we are all called to be in ministry? We are. Do you feel equipped for lay ministry? Would you like to be better equipped? At the time of this writing, I know of two opportunities open to help you in this:

Did you know that it is generally agreed that John Wesley established the first Sunday School in what would become the United States in 1736 in Savannah, Ga? St. John's offers several adult, child, and youth Sunday School classes. I would love to help you find a class where you can connect with others and grow.

Rock Hill District Lay Servant Ministries has announced the first set of Lay Servant classes for 2025. These classes can be taken by anyone. You might take them because you wish to be a church lay servant, a certified lay servant, certified lay speaker, a certified lay minister, or *just because* you want to better equip yourself for your Christian walk and witness. The first class to take is "Basic".

This class is being offered at Woodland UMC, 801 N. Cherry Rd. in Rock Hill over two days. (Lay Servant Ministry classes are each 10 hours.) This set of classes will be on Saturday, Feb. 15 from 9:00 AM to 4:30 PM and Sunday Feb 16 from 1:30pm to 4:30pm. Saturday lunch, snacks, and beverages will be provided. The class has a cost of \$30.00 and participants pay for and order their own books.

**Basic:** Taught by ShaRome Henry & Lynne Tyner: This class gives a brief introduction into leadership in the church by exposing them to personal spiritual gifts, development of leadership skills, maintaining consistent spiritual practices and being part of an accountability group.

**Book:** Lay Servant Ministries – Basic Course: Sandy Zeigler Jackson and Brian Jackson. DR626 978 0 88177 626-3 \$12.00 available ePub, Kindle, UpperRoom.org and Amazon. I have one Basic book that someone could borrow.

*At this time, the registration form is not yet available. If you are interested in taking this class, just let me know and I will get the form to you as soon as registration opens. Other classes are available for anyone who has completed this Basic class.*

*GOD will supply  
every need of  
those who trust  
and obey HIM.*

Just as God provided for Adam and Eve's needs, He also provides for us. Although He frequently allows deprivation and want to plague those who are poor stewards, He is ultimately our Provider and Sustainer.

I have been young and now I am old, yet I have not seen the righteous forsaken or his descendants begging for bread.  
(Psalm 37:25)

For this reason, I say to you do not be worried about your life, as to what you will eat or what you will drink; nor for your body, as to what you will put on. Is not life more than food, and the body more than clothing. Look at the birds of the air, that they do not sow, nor reap nor gather into barns, and yet your heavenly Father feeds them.

Notice that a farmer must work hard to prepare the soil, plant the seed, cultivate the plants, and harvest the crop. Yet when it really comes down to it, he is powerless to cause the seeds to grow into a useful crop; only God can do that. No matter how hard a farmer works, he would harvest no crop without God's providence.

Now this I say, he who sows sparingly will also reap sparingly, and he who sows bountifully will also reap bountifully. Each one must do just as he has proposed in his heart, not grudgingly or under compulsion, for God loves a cheerful giver.  
(2 Corinthians 9:6-7).

Likewise, the Apostle Paul recognized that God took care of him, and that as a result, in all circumstances, he could be content. As with Paul, our contentment in God's provision depends both on our obedience to God and our faith in Him as our Provider.
